12. CHANGES IN MEMBERS' CIRCUMSTANCES

12.1 Cessation of Eligibility

12.1.1 Each Member (other than TISA) undertakes to each other Party that if it:

- (a) ceases to be authorised or (if established in the EEA) recognised by the FCA, for any and/or all of the activities required for such Member's then-current participation in the Contract Club; or

it will notify TeX in writing immediately and in any event within two Business Days of the date on which such Member ceases to be so authorised or recognised (as appropriate) or otherwise ceases to satisfy any and/or all of the criteria for participation in the Contract Club as may be varied from time to time.

12.1.2 Within one Business Day of the date when TeX becomes aware that any Member other than TISA (such Member being the "**Ineligible Member**") has ceased to be authorised or recognised by the FCA, for any and/or all activities required for such Member's then current participation in the Contract Club or otherwise ceases to satisfy all criteria for participation in the Contract Club as may be varied from time to time, TeX will terminate the Ineligible Member's participation in the Contract Club with effect from close of business on the second Business Day after the date on which such termination notice is given to the Ineligible Member. If the Ineligible Member is a Multi-Role Member and has ceased to be authorised or recognised by the FCA, for any and/or all of the activities required for one (or more), but not all, of the capacities of that Multi-Role Member, then in accordance with Clause 15.5 TeX will terminate the Ineligible Member's participation in the Contract Club only in respect of the capacity for which the Ineligible Member has ceased to be authorised or recognised (as appropriate) for all required activities.

12.2 Without prejudice to its obligations under Clause 12.1.1, each Member (other than TISA) further undertakes to each other Party that it will notify TeX in writing immediately, and in any event within two Business Days of the date when such Member becomes aware (or should first reasonably have been aware) of any suspension or termination of, or condition imposed on, or other change in relation to, any authorisation, recognition, permission and/or approval granted to such Member by the FCA or any other Regulator which in each case is not required to be notified pursuant to Clause 12.1.1.

12.3 Each Member (other than TISA) (each such Member being the "**Notifying Member**") will notify TeX immediately in writing on a confidential basis if:

12.3.1 such Member becomes aware of any suspension or termination of, or condition imposed on, or other change in relation to, any authorisation, recognition, permission and/or approval granted to another Member (other than TISA) by the FCA or any other Regulator which in each case is not required to be notified pursuant to Clause 12.1.1 and is not reflected in the

Register of Members; or

12.3.2 an Exceptional Circumstance, other than the circumstances referred to in Clause 7.4.1(a) of the Contract Terms, exists (the Notifying Member being the Executing Participant in relation to such Exceptional Circumstance),

(each a "**Relevant Circumstance**").

12.4 If TeX:

(i) receives any notice pursuant to Clause 12.2 or 12.3 in relation to any Member (the "**Affected Member**"); or

(ii) otherwise becomes aware of any suspension or termination of, or condition imposed on, or other change in relation to, any authorisation, recognition, permission and/or approval granted by the FCA or any other Regulator to any Member (also the "**Affected Member**") which in each case is not required to be notified pursuant to Clause 12.1.1,

then:

12.4.1 TeX will promptly investigate the Relevant Circumstance including discussing this with the Affected Member or the Notifying Member where TeX in its absolute discretion considers this appropriate, and may suspend the Affected Member from the Contract Club during such investigation in accordance with Clause 15.3; each Member will co-operate fully with TeX in any such investigation;

12.4.2 if the Relevant Circumstance means that the Affected Member no longer satisfies any and/or all of the criteria for participation in the Contract Club as may be varied from time to time:

(a) TeX will give written notice to the Affected Member terminating the Affected Member's participation in the Contract Club with effect from close of business on the second Business Day after the date on which such termination notice is given to the Affected Member; TeX may suspend the Affected Member in accordance with Clause 15.3 pending such termination taking effect;

(b) if the Affected Member is a Multi-Role Member and the Relevant Circumstance relates to one (or more), but not all, of the capacities of that Multi-Role Member, then in accordance with Clause 15.5 TeX will terminate the Affected Member's participation in the Contract Club only in respect of the capacity to which the Relevant Circumstance relates; and

(c) TeX will give the notice required by Clause 12.4.2(a) within one Business Day of the date when TeX becomes aware that the Affected Member has ceased to satisfy any and/or all of the criteria for participation in the Contract Club as may be varied from time to time;

12.4.3 TeX will promptly notify all Members in writing if TeX reasonably considers that the Relevant Circumstance constitutes an Exceptional Circumstance but does not mean that the Affected Member no longer satisfies any and/or all of the criteria for participation in the Contract Club as may be varied from time to time (in one or more capacities). Such notice may include any action which TeX recommends that other Members may wish to take in respect of the Affected Member;

12.4.4 TeX will promptly notify the Notifying Member if TeX reasonably considers that the circumstances notified by the Notifying Member do not constitute a

Relevant Circumstance.

12.5 Except as provided in Clause 12.4, TeX has no obligations in relation to any Relevant Circumstances relating to any Member.

12.6 If:

12.6.1 the Affected Member disputes the existence or impact of any Relevant Circumstance (including whether the concern giving rise to an Exceptional Circumstance is legitimate); or

12.6.2 any Member (including the relevant Notifying Member and/or the relevant Affected Member) considers that the action recommended by TeX to be taken in respect of any Relevant Circumstance in relation to any Affected Member is inappropriate,

it will immediately notify TeX in writing giving details of the reasons for its view, and if such dispute or disagreement is not resolved by agreement between the relevant Parties within two Business Days, it will be resolved in accordance with the Accelerated DRP.

13. **DISPUTE RESOLUTION PROCEDURES**

13.1 **Mandatory Nature of Procedure**

Except where the Membership Agreement expressly provides to the contrary, any question or difference which may arise concerning the creation, construction, meaning, validity or effect of any part of the Membership Agreement or breach of it, or any other matter arising out of or in connection with the Membership Agreement or the proper operation of the Contract Club (a "**Dispute**") will be dealt with in accordance with the provisions of this Clause 13. Nothing in this Clause 13 will prevent a Party from initiating legal proceedings for injunctive relief.

13.2 **Outline of procedures**

13.2.1 The Parties to that Dispute (the "**Disputing Parties**") will make a good faith effort to resolve any Dispute by referring it to escalation in accordance with Clause 13.5. If and to the extent that the Disputing Parties fail to resolve the Dispute in accordance with the escalation procedure in Clause 13.5:

(a) if the Disputing Parties so agree, the Dispute will be referred to mediation in accordance with Clause 13.6;

(b) unless the Dispute has been resolved by mediation in accordance with Clause 13.6:

(i) any Dispute which concerns a claim for (or otherwise relates to a sum of) £1,000,000 or less will be referred to third party determination in accordance with Clause 13.7; and

(ii) any Dispute which concerns a claim for (or otherwise relates to a sum of) more than £1,000,000 will be:

(1) referred to third party determination in accordance with Clause 13.7 if the Disputing Parties so agree and agree that such third party determination will be binding; or

(2) resolved by litigation before the courts of England and Wales.

In determining the value of any claim for the purposes of this Clause 13.2.1(b) account will be taken only of the amount of such claim which is disputed.

13.2.2 An accelerated procedure applies to certain Disputes in accordance with Clause 13.8.

13.3 On the occurrence of a Dispute, each relevant Party will at the request of any Disputing Party, any Mediator or any Referee promptly:

13.3.1 disclose to the Disputing Parties and any Mediator and/or Referee its full Audit Trail, service level performance records and any other information relevant to the resolution of the Dispute (provided always that each Party acknowledges and agrees that TeX will not have an Audit Trail to be disclosed pursuant to this Clause 13.3.1 but will be entitled to produce and rely on any audit trail relating to communications sent by TeX to, or received by TeX from, any other Party); and

13.3.2 otherwise co-operate fully with the Disputing Parties and any Mediator and/or Referee as reasonably required for the prompt resolution of the Dispute.

The costs of any Party in complying with this Clause 13.3:

(a) will be borne as directed by any Mediator or Referee; or

(b) in the absence of any direction by any Mediator or Referee, will be:

(i) shared equally by the Disputing Parties if the request is made by any Mediator or Referee; or

(ii) borne by the Disputing Party making the request.

13.4 **Use of information disclosed in relation to any Dispute**

Each Party acknowledges and agrees that any Audit Trail, service level performance records and other information disclosed by or on behalf of any Party pursuant to Clause 13.3 may be used only for the purposes of assisting in the resolution of the relevant Dispute, and no Party may use or permit the use of any Audit Trail of, or any other such information relating to, any other Party for any other purpose.

13.5 **Escalation of Disputes**

13.5.1 Each Member will notify TeX in writing of contact details (by name or role) for the representatives of:

(a) its operational team; and

(b) its senior management

to whom Disputes will be referred under this Clause 13.5. Unless otherwise notified in writing to TeX by the relevant Member, each Member's Relationship Manager will be the nominated representative of such Member's operational team.

13.5.2 TeX will notify each Member (by notice posted on the TeX Website or otherwise) of contact details (by name or role) for the representatives of:

(a) its operational team; and

(b) its senior management

to whom Disputes will be referred under this Clause 13.5.

- 13.5.3 Each Party may at any time by written notice given in accordance with Clause 24 replace any representative of that Member with another person holding a position of equivalent seniority to the person he replaces and must immediately make a replacement appointment if any of the representative positions would otherwise be vacant (whether because a nominated representative has ceased to be a member of the operational team or senior management (as appropriate) of the relevant Party, or because there is no person then appointed to or acting in the nominated representative role in respect of the relevant Party, or for any other reason).
- 13.5.4 Any Dispute will in the first instance be referred to the nominated representative of each Disputing Party's operational team for discussion and resolution as soon as reasonably possible and, in any event, within five Business Days of such referral ("**First Tier Escalation Period**").
- 13.5.5 If the Dispute is not resolved by the operational team representatives of the Disputing Parties pursuant to Clause 13.5.4, it will be escalated to the nominated representative within senior management of each Disputing Party for discussion and resolution as soon as reasonably possible and in any event within a further ten Business Days from such referral ("**Second Tier Escalation Period**").
- 13.5.6 Any Dispute may be referred directly to the nominated representatives within senior management under Clause 13.5.5 if the Disputing Parties so agree.

13.6 **Mediation**

- 13.6.1 If any Dispute is not resolved in accordance with the escalation procedure in Clause 13.5, the Disputing Parties will within five Business Days of the end of the Second Tier Escalation Period ("**Mediator Appointment Period**") agree whether to refer the Dispute to mediation and (if they do so agree) the identity of a suitably qualified independent third party with appropriate expertise relevant to the Dispute (the "**Mediator**") and the terms of reference for the mediation. If the Disputing Parties are unable to agree a Mediator and/or the terms of reference for the mediation within the Mediator Appointment Period, the Disputing Parties will (and any Disputing Party may) within two Business Days of expiry of the Mediator Appointment Period apply to CEDR to appoint a Mediator and/or (as appropriate) to determine the terms of reference for the mediation. If the chosen Mediator does not accept his appointment within two Business Days of request, the Disputing Parties will agree the identity of an alternative Mediator; if the Disputing Parties fail to agree the identity of an alternative Mediator within a further two Business Days, the Disputing Parties will (and any Disputing Party may) within a further two Business Days apply to CEDR to appoint an alternative Mediator; if the Mediator has not been appointed and the terms of reference for the mediation agreed within sixteen Business Days of the end of the Second Tier Escalation Period the Dispute will be referred to third party determination in accordance with Clause 13.7.
- 13.6.2 Within five Business Days of the Mediator accepting his appointment ("**Mediation Summary Period**") each Disputing Party will submit a written summary of the Dispute to the Mediator and to each other Disputing Party.
- 13.6.3 The mediation will take place within ten Business Days of the submission of the Dispute summaries to the Mediator ("**Mediation Period**").
- 13.6.4 The Disputing Parties may agree to extend any of the time periods in this Clause 13.6.

- 13.6.5 Unless concluded with a written legally binding agreement all discussions connected with the Dispute will be conducted in confidence and without prejudice to the rights of the Disputing Parties (or any other Party) in any future proceedings.
- 13.6.6 The costs of the mediation (including the Mediator's fees and expenses) (but excluding the Disputing Parties' own costs, which will be borne by the Disputing Party incurring those costs) will be borne equally by the Disputing Parties except (and to the extent) otherwise agreed in writing in the settlement agreement.

13.7 **Third party determination**

- 13.7.1 Where a Dispute is to be referred to third party determination the Disputing Parties will agree a suitably qualified third party with appropriate expertise relevant to the Dispute (or, if the Disputing Parties so agree, a panel of three suitably qualified third parties with appropriate expertise relevant to the Dispute) (such third party or such panel of third parties, as appropriate, being the "**Referee**") within ten Business Days of either the conclusion of the escalation procedure or, where applicable, the conclusion of the mediation process without settlement ("**Referee Appointment Period**"). No Disputing Party will be entitled to withhold its agreement to the appointment of a Referee who is not a competitor of that Party and is independent and free of any conflicts of interest with respect to each Disputing Party and the subject matter of the Dispute. If the chosen Referee does not accept his appointment within two Business Days of request, the Disputing Parties will agree the identity of an alternative Referee within a further five Business Days.
- 13.7.2 If the Disputing Parties fail to agree the identity of:
 - (a) the Referee within the Referee Appointment Period; or
 - (b) (if relevant) an alternative Referee within the further five Business Days referred to in Clause 13.7.1,any Disputing Party may apply to CEDR to select a Referee.
- 13.7.3 The Disputing Parties will jointly appoint the Referee and will during the Referee Appointment Period agree in good faith and acting reasonably his terms of reference including whether the Referee will act as expert or arbitrator. The terms of reference to the Referee will direct the Referee to deliver his determination within forty Business Days after the submission of the written reports referred to in Clause 13.7.4 ("**Referee Determination Period**") and will state that the decision of the Referee will, in the absence of fraud or manifest error, be final and binding on the Disputing Parties.
- 13.7.4 Within ten Business Days of the Referee accepting his appointment ("**Referee Report Period**"), each Disputing Party will submit a written report on the Dispute to the Referee and to each other Disputing Party. Each Disputing Party will afford the Referee all assistance and additional information as the Referee reasonably requires to enable the Referee to consider the Dispute. The Parties acknowledge and agree that the Referee may conduct the resolution of the Dispute as the Referee sees fit, including examination of records, interviewing personnel and/or hearing oral evidence.
- 13.7.5 The Disputing Parties may agree to extend any of the time periods in this Clause 13.7.
- 13.7.6 The costs of the Referee's determination (including the Referee's fees and expenses and the Disputing Parties' own costs and expenses) will be borne as the Referee directs (having regard to the actions of the Disputing Parties);

in the absence of such direction, the Referee's fees and expenses will be borne equally by the Disputing Parties and each Disputing Party will otherwise bear its own costs.

13.8 **Accelerated DRP**

- (iv) has an administrator appointed (by court order or otherwise including by its members or by a floating charge holder), or has an application made either for the appointment of an administrator or for an administration order, or has a notice of intention to appoint an administrator given within Part II Insolvency Act 1986;
- (v) is the subject of any judgment or order made against it which is not complied with or discharged within 30 days or is the subject of any execution, distress, sequestration or other process levied upon or enforced against any of its assets;
- (vi) has proposed in respect of it a voluntary arrangement pursuant to Part I Insolvency Act 1986 or any other composition, scheme or arrangement with, or assignment for the benefit of, any of its creditors;
- (vii) has a petition presented for its winding up (which is not dismissed within 14 days of its service) or has an application made for the appointment of a provisional liquidator within Part IV Insolvency Act 1986;
- (viii) is or becomes deemed to be unable to pay its debts within the meaning of s123 Insolvency Act 1986; or
- (ix) has a moratorium come into force in respect of it pursuant to Schedule A1 Insolvency Act 1986,

and references to the Insolvency Act 1986 in this Clause 15.4.7(c) will be construed as references to the Insolvency Act 1986 as applied under the Limited Liability Partnerships Act 2000 and subordinate legislation; or

- (d) being an individual:
 - (i) an application to the court for an interim order pursuant to s252 to s253 Insolvency Act 1986 is made in respect of him;
 - (ii) a receiver or similar officer is appointed over all or any part of his assets;
 - (iii) a proposal is made for an individual voluntary arrangement pursuant to the Insolvency Act 1986 or any other composition, scheme or arrangement with, or assignment for the benefit of, any of his creditors;

- (iv) a statutory demand or bankruptcy petition is issued against him; or
 - (v) he is declared bankrupt; or
 - (e) anything analogous to any of the events in Clauses 15.4.7(a) to 15.4.7(d) inclusive occurs in relation to such Member under the law of any jurisdiction to which such Member is subject; or
- 15.4.8 if it appears to HMRC that that Member is not a fit and proper person to be a scheme administrator and the registration of a Pension Scheme is withdrawn under the Finance Act 2004 on that basis (along with any other reasons);
- 15.4.9 ceases or threatens to cease to carry on business; or
- 15.4.10 in accordance with Clause 16.6.2.

For the purposes of this Clause 15.4 and subject to Clause 15.4.4, a breach will be considered capable of remedy for these purposes if the Member can comply with the relevant provision in all respects other than time of performance (provided time of performance is not of the essence).

15.5 **Multi-Role Members**

15.5.1 If a Multi-Role Member:

- (a) terminates its participation in the Contract Club in respect of one or more, but not all, of its capacities as a Multi-Role Member pursuant to Clause 15.2;
- (b) ceases to satisfy the eligibility criteria for one or more, but not all, of its capacities as a Multi-Role Member;
- (c) commits any breach of the terms of the Membership Agreement which justifies termination pursuant to any of Clauses 15.4.3 to 15.4.6 inclusive and relates only to one or more, but not all, of its capacities as a Multi-Role Member;
- (d) ceases or threatens to cease to carry on business in relation to one or more, but not all, of its capacities as a Multi-Role Member; or
- (e) is prevented from or delayed in performing any of its obligations under the Membership Agreement in relation to one or more, but not all, of its capacities as a Multi-Role Member by an Event of Force Majeure which continues for more than six months,

(the capacities of Member from which the Multi-Role Member has resigned or in respect of which it ceases to satisfy the eligibility criteria or has committed any breach justifying termination or ceases or threatens to cease to carry on business or is affected by an Event of Force Majeure continuing for more than six months being the "**Terminated Capacities**", and any other capacities of Member from which the Multi-Role Member has not resigned and in respect of which it continues to satisfy the eligibility criteria and has not committed any breach justifying termination and has not ceased or threatened to cease to carry on business and is not affected by an Event of Force Majeure continuing for more than six months being the "**Continuing Capacities**"),

then:

- (i) any termination of such Multi-Role Member's membership will be effective only in respect of the Terminated Capacities; and
- (ii) if there is only one Continuing Capacity, such Member will automatically cease to be a Multi-Role Member and instead become a Member of the same category as the Continuing Capacity (the "**Continuing Category**"). For the avoidance of doubt, if there is more than one Continuing Capacity, such Member will continue to be a Multi-Role Member (acting in each of the Continuing Capacities, but not in the Terminated Capacity).

15.5.2 If the Resigning Member or Terminated Member is a Multi-Role Member who resigns from the Contract Club, or whose participation in the Contract Club is terminated, in respect of some but not all of its capacities as a Multi-Role Member, then:

- (a) if the Resigning Member or Terminated Member remains a Multi-Role Member, any TeX director appointed by the Multi-Role Members and employed or engaged by (or a director of) such Resigning Member or Terminated Member will continue to be a TeX director appointed by the Multi-Role Members; but
- (b) if the Resigning Member or Terminated Member continues to participate in the Contract Club in only one capacity and so ceases to be a Multi-Role Member and becomes a Member of the relevant Continuing Category, any TeX director appointed by the Multi-Role Members and employed or engaged by (or a director of) such Resigning Member or Terminated Member will cease to be a TeX director appointed by the Multi-Role Members.

15.6 **Process for suspension or termination by TeX**

15.6.1 Any decision to terminate or suspend any Member's participation in the Contract Club will be taken by the Board, and will not be delegated to any Working Group. However if any Advisory Council or Working Group considers that TeX is entitled to suspend or terminate any Member's participation in the Contract Club pursuant to Clause 15.3 or 15.4 and should exercise such right, it will submit to the Board for consideration:

- (a) the relevant Advisory Council or Working Group's written recommendation for suspension or termination of such Member's participation; and
- (b) any evidence relating to the behaviour giving rise to such recommendation compiled by the relevant Advisory Council or Working Group.

The Board may approve, vary or reject any Advisory Council or Working Group's recommendation for suspension or termination (including terminating participation where an Advisory Council or Working Group has recommended suspension, and suspending participation where an Advisory Council or Working Group has recommended termination).

15.6.2 Unless the Suspended Member is suspended pursuant to Clause 15.3.1(c) pending the date on which a termination notice served on such Suspended Member takes effect:

- (a) on or before the Business Day when TeX gives a suspension notice to any Member pursuant to Clause 15.3, the Board will give the Member to which such suspension notice relates:
 - (i) a summary of the reasons why such Member's participation in the Contract Club has been (or is

proposed to be) suspended; and

- (ii) the date of the meeting of the Board at which such suspension will be considered (the "**Suspension Board Meeting**"); the Suspension Board Meeting must be held within ten Business Days following the date on which the suspension notice is received by the relevant Member;
- (b) the Member to which any suspension notice relates will be entitled to:
 - (i) submit written representations and supporting evidence to the Board, and any such representations and supporting evidence will be considered by the Board at the Suspension Board Meeting at which its suspension will be considered; and
 - (ii) attend (with or without a professional adviser) and speak (itself or through its professional adviser) at such Suspension Board Meeting in relation to its suspension; and
- (c) the Board will notify the Suspended Member in writing within one Business Day after the date of the Suspension Board Meeting whether its suspension (or proposed suspension, as appropriate) is confirmed (and the period of such suspension and the reasons for it) or lifted.

15.7 **Notice of resignation, suspension or termination to other Members**

15.7.1 Within one Business Day of the date when TeX receives notice of termination pursuant to Clause 15.2 from a Resigning Member, TeX will give all other Members written notice stating:

- (a) that the Resigning Member will cease to be a member of the Contract Club because it has resigned (including whether the reason for such cessation is resignation for convenience pursuant to Clause 15.2.1, material unremedied breach by TeX pursuant to Clause 15.2.2 or force majeure pursuant to Clause 15.2.3);
- (b) the time and date when such cessation will take effect; and
- (c) if the Resigning Member is a Multi-Role Member, each capacity in which the Resigning Member will cease to participate in the Contract Club and each capacity in which the Resigning Member will continue to participate in the Contract Club,

and will update the Register of Members accordingly.

15.7.2 On the same Business Day that TeX gives a suspension notice to any Member pursuant to Clause 15.3, TeX will give all other Members written notice stating:

- (a) that notice has been given to suspend the Suspended Member from participation in the Contract Club;
- (b) subject to Clause 15.7.3, the reason for such suspension;
- (c) the time and date when such suspension will take effect and the period of such suspension; and

- (d) if the Suspended Member is a Multi-Role Member, each capacity in which the Suspended Member will be suspended and each capacity in which the Suspended Member will not be suspended,

and will update the Register of Members accordingly. TeX will promptly notify all other Members of the time and date when any Member's suspension ends if such Member is not suspended:

- (i) pursuant to Clause 15.3.1(c), pending the effective date of termination of its participation in the Contract Club; or
- (ii) for a pre-determined period,

but instead is suspended (subject to a maximum 90 day period in accordance with Clause 15.3.2(c)) until its breach of the Membership Agreement is remedied (or until any other reason for such suspension ceases to apply).

15.7.3 If a Member is suspended with effect from a date before the Suspension Board Meeting then (unless such Member is suspended pursuant to Clause 15.3.1(c) pending the effective date of termination of its participation in the Contract Club, in which case this Clause 15.7.3 will not apply), TeX:

- (a) will not disclose to the other Members the reasons for such suspension when notifying the other Members of such suspension pursuant to Clause 15.7.2 or (subject to Clause 15.7.3(b)) otherwise; and
- (b) will within one Business Day after the date of the Suspension Board Meeting notify all the other Members:
 - (i) whether the Suspended Member's suspension has been confirmed or lifted; and
 - (ii) if the Suspended Member's suspension has been confirmed, the period of such suspension and the reasons for it.

15.7.4 On the same Business Day that TeX gives a termination notice to any Member pursuant to Clause 15.4, TeX will give all other Members written notice stating:

- (a) that notice has been given to terminate the Terminated Member's participation in the Contract Club;
- (b) whether such termination is the result of such Member ceasing to satisfy the eligibility criteria for Membership pursuant to Clause 15.4.1 or 15.4.2, failing to pay fees due to TeX pursuant to Clause 15.4.3, breach of the Membership Agreement pursuant to Clauses 15.4.4, 15.4.5 or 15.4.6, an insolvency-related event pursuant to Clause 15.4.7, as a result of the circumstances referred to in Clause 15.4.8, or cessation (or threatened cessation) of business pursuant to Clause 15.4.9, or force majeure pursuant to Clause 15.4.10;
- (c) the time and date when such termination will take effect; and
- (d) if the Terminated Member is a Multi-Role Member, each capacity in which the Terminated Member's participation in the Contract Club will be terminated and each capacity in which the Terminated Member's participation in the Contract Club will not be terminated,

and TeX will update the Register of Members accordingly.

15.8 **Consequences of termination or suspension**

15.8.1 Membership Agreement

Termination of any Member's participation in the Contract Club will terminate the Membership Agreement between such Member and the other Parties, but will not affect the Membership Agreement between the other Parties.

15.8.2 Rights of Suspended Members and dealing with Suspended Members

For so long as any Member is suspended from the Contract Club:

- (a) subject to Clause 15.8.2(b), such Suspended Member will not be entitled to vote on any resolution (or to count in any quorum) or to approve or reject any Proposed Change or to exercise any of its other rights under the Membership Agreement (and any vote, approval or rejection by such Member during any period of suspension will be disregarded for all purposes including calculating the percentages referred to in Clause 14.9);
- (b) if the Suspended Member is a Multi-Role Member whose participation in the Contract Club is suspended in some but not all capacities, the Suspended Member will continue to have the rights and obligations of a Member of the same category as each capacity in respect of which such Member has not been suspended except that such Suspended Member will not be entitled to vote on any resolution (or to count in any quorum), or to approve or reject any Proposed Change, either as a Multi-Role Member or as a Member of the same category as any capacity in respect of which such Member has not been suspended or any other category (and any vote, approval or rejection by such Member during any period of suspension will be disregarded for all purposes including calculating the percentages referred to in Clause 14.9); and
- (c) any other Member who deals or communicates with the Suspended Member (in the case of a Multi-Role Member, in a capacity in respect of which such Multi-Role Member has been suspended) does so at its own risk without the benefit of such Suspended Member's participation in the Contract Club.

15.8.3 In-flight Transfers

- (a) Termination or suspension of any Member's participation in the Contract Club for any reason will not affect any rights and/or obligations of that Member or any other Party in relation to any Transfer in respect of which a Transfer Instruction has been sent before the effective time and date of such termination or suspension.
- (b) No Member will be entitled, after the effective time and date of termination of its participation in the Contract Club or whilst it is suspended from the Contract Club, to initiate a Transfer for processing pursuant to the Membership Agreement.

15.8.4 Directors

- (a) Subject to Clause 15.5.2, any TeX director appointed by the same category of Members as the Resigning Member or Terminated Member and employed or engaged by (or a director of) the

Resigning Member or Terminated Member will cease to be a director of TeX appointed by the Members of the same category as the Resigning Member or Terminated Member (as appropriate), and will also cease to be a member of any Advisory Council or Working Group or other sub-committee of the Board.

- (b) Any director of TeX who is employed or engaged by (or a director of) a Suspended Member will not be required to resign from the Board by reason of such Member's suspension.

15.8.5 Fees

- (a) Except as provided in Clause 15.8.5(b), any fees paid by any Member who terminates its participation in the Contract Club, or whose participation in the Contract Club is terminated or suspended by TeX, will not be refunded to the Member.
- (b) Subject to Clause 15.8.5(c), if any Member terminates its participation in the Contract Club in accordance with Clause 15.2.2, TeX will refund to such Member the proportion of the annual membership fee paid to TeX by such Member which relates to the period from the date when such Member ceases to participate in the Contract Club until the next anniversary of the first day of the calendar month of such Member's admission to the Contract Club (and for these purposes the annual membership fee will be apportioned equally throughout the year to which such membership fee relates).
- (c) If in accordance with Clause 4.3 one annual membership fee has been paid in respect of several Members of TeX who are members of the same Marketing Group, TeX will not be obliged to refund any proportion of the annual membership fee to any Member who terminates its participation in the Contract Club if any other member of the same Marketing Group continues to be a Member of TeX of the same category as the Member who has terminated its participation in the Contract Club.

15.8.6 Other

Termination or suspension of the Membership Agreement in respect of any Member for any reason will not affect any rights and/or obligations of any Member which have accrued before such termination or suspension, or any provision of the Membership Agreement which expressly or by implication is intended to come into effect or to continue in effect on or after such termination or suspension.

16. **RELIEF EVENTS AND FORCE MAJEURE**

16.1 A Party will not be responsible for any delay in performing or failure to perform any of its obligations under the Membership Agreement if and to the extent that the delay or failure directly results from a failure of another Party to perform its obligations in accordance with the Membership Agreement.

16.2 "**Event of Force Majeure**" means an event which falls within one or more of the following categories:

- 16.2.1 riot, civil unrest, military action or terrorism;
- 16.2.2 damage to or destruction of premises or equipment;
- 16.2.3 fire, flood, storm, earthquake or other natural disaster;

- 16.2.4 industrial action, strikes or lock-outs by employees of third parties (excluding suppliers, agents or sub-contractors of the affected Party except where no substitute is reasonably available); or
 - 16.2.5 exercise of emergency powers by any governmental authority whether national, regional or local,
- and which in each case was beyond the affected Party's reasonable power to control.
- 16.3 Subject to Clauses 16.4 and 16.5, to the extent that any Party is prevented from performing any of its obligations under the Membership Agreement by an Event of Force Majeure, then that Party's obligation to perform such obligations under the Membership Agreement will, during the continuation of the relevant Event of Force Majeure, be read and construed as an obligation to perform such obligations to the best level reasonably achievable in the circumstances of the Event of Force Majeure.
- 16.4 Any Member claiming to be affected by an Event of Force Majeure will not be entitled to invoke the provisions of Clause 16.3 unless the affected Party:
- 16.4.1 on becoming aware of any Event of Force Majeure which gives rise, or which is likely to give rise, to any failure or delay in the performance of any of its obligations under the Membership Agreement, promptly notifies TeX, giving details of the Event of Force Majeure, the obligations on its part which are affected and its reasonable estimate of the period for which such failure or delay will continue;
 - 16.4.2 provides to TeX written confirmation and reasonable evidence of such Event of Force Majeure within five Business Days following notification pursuant to Clause 16.4.1; and
 - 16.4.3 takes all reasonable steps to prevent, avoid, overcome and mitigate the effects of such Event of Force Majeure.
- 16.5 If any Member notifies TeX of any Event of Force Majeure pursuant to Clause 16.4, TeX will promptly:
- 16.5.1 notify each other Member who is (or is likely to be) impacted by such Event of Force Majeure; and
 - 16.5.2 update the Register of Members to record the relevant Event of Force Majeure against the Party claiming to be affected by such Event of Force Majeure (and will promptly update the Register of Members to delete reference to such Event of Force Majeure if TeX is notified (or otherwise becomes aware) that such Event of Force Majeure has ceased to apply).
- 16.6 If a Member is prevented from, or delayed in, performing any of its obligations under the Membership Agreement by an Event of Force Majeure which continues for more than six months, then:
- 16.6.1 any other Member may propose to TeX that the affected Member's participation in the Contract Club be terminated;
 - 16.6.2 TeX may terminate the affected Member's participation in the Contract Club by giving not less than two Business Days' written notice of such termination to the affected Member; or
 - 16.6.3 the affected Member may terminate its own participation in the Contract Club by giving not less than two Business Days' written notice of such termination to TeX.

- 16.7 TeX will not be entitled to invoke the provisions of Clause 16.3 unless TeX:
- 16.7.1 on becoming aware of any Event of Force Majeure which gives rise, or which is likely to give rise, to any failure or delay in the performance of any of its obligations under the Membership Agreement, promptly notifies each Member who is (or is likely to be) impacted by such failure or delay, giving details of the Event of Force Majeure, the obligations on its part which are affected and its reasonable estimate of the period for which such failure or delay will continue, and posts the same information on the secure Members-only area of the TeX Website; and
 - 16.7.2 takes all reasonable steps to prevent, avoid, overcome and mitigate the effects of such Event of Force Majeure.

16.8 No Party will be entitled to terminate TeX's participation in the Contract Club because TeX is affected by any Event of Force Majeure.

17. **ASSIGNMENT AND SUB-CONTRACTING**

- 17.1 The Membership Agreement is personal to each of the Parties. No Party may assign, novate or transfer in any way, or charge the benefit of, any of its rights, liabilities or obligations under the Membership Agreement on a temporary or permanent basis to any third party.
- 17.2 Any Party may sub-contract the performance of any of its obligations and/or the exercise of any of its rights under the Membership Agreement to any third party, and may sub-license the TISA Brand and/or TeX Brand to such third party to the extent required to enable such third party to fulfil such Party's obligations, and exercise such Party's rights, in relation to the Contract Club. Each Party will be responsible for all acts and omissions of its sub-contractors (including any sub-sub-contractors) as if they were its own.

18. **RELATIONSHIP OF THE PARTIES**

- 18.1 In its application to participate in the Contract Club, each Member appoints TeX as its agent for the limited purpose of agreeing the terms of the Membership Agreement with each other Member from time to time. This appointment is irrevocable for so long as the appointing Member participates in the Contract Club.
- 18.2 Each Member waives and releases TeX from any and all rights, claims, actions and/or causes of action (whether in contract, tort or otherwise) arising out of or in any way related to such Member's agreement to the terms of the Membership Agreement and/or such Member's performance of its obligations under the Membership Agreement.
- 18.3 Nothing in the Membership Agreement is intended to create, or will be construed as constituting or evidencing, a partnership or joint venture or relationship of employer and employee between any of the Parties or (except as provided in Clause 18.1) to authorise, or will be construed as authorising, any Party to act as agent for any other Party. Except where expressly so stated in the Membership Agreement, no Party has authority to make any representation for, act in the name or on behalf of or otherwise to bind any other Party.

19. **WAIVER**

- 19.1 Any failure to exercise or any delay in exercising a right or remedy provided by the Membership Agreement or at law or in equity (and/or the continued performance of the Membership Agreement) will not constitute a waiver of the right or remedy or a waiver of any other rights or remedies. If any Party waives a breach of any term of the Membership Agreement committed by any other Party (the "**Defaulting Party**") such waiver will not constitute:

19.1.1 a waiver of any other breach (of the same term or any other term) committed by the Defaulting Party; or

19.1.2 a waiver of the same or any other breach by any Party other than the Defaulting Party,

and will not affect the other terms of the Membership Agreement.

19.2 The rights and remedies provided by the Membership Agreement are cumulative and (except as otherwise provided in the Membership Agreement) are not exclusive of any rights or remedies provided at law or in equity. To the extent that any right or remedy provided by the Membership Agreement or in law or equity can be exercised more than once and/or in combination with other rights and/or remedies provided by the Membership Agreement or in law or equity, no single or partial exercise of such right or remedy prevents the further exercise of that right or remedy or the exercise of any other right or remedy.

20. SEVERABILITY

20.1 If at any time a provision of the Membership Agreement is held by any court or administrative body of competent jurisdiction to be (in whole or in part) invalid or unenforceable, such invalidity or unenforceability will not prejudice the other provisions of the Membership Agreement (or the other parts of any provision which is found to be partially invalid or unenforceable) which will remain in full force and effect.

20.2 If any provision of the Membership Agreement is found to be invalid or unenforceable in accordance with Clause 20.1 but would be valid and enforceable if some part of the provision were deleted, the provision in question will apply with such modification as may be necessary to make it valid and enforceable.

21. FURTHER ASSURANCE

Each Party will at the request of any other Party at its own cost do (or procure others to do) everything necessary to give any other Party the full benefit of the Membership Agreement.

22. RIGHTS OF THIRD PARTIES

22.1 An Unsuccessful Applicant may enforce the provisions of Clause 8 in relation to any Confidential Information relating to such Unsuccessful Applicant, subject to and in accordance with the relevant provisions of the Membership Agreement and the Contracts (Rights of Third Parties) Act 1999.

22.2 Except as provided in Clause 22.1, nothing in the Membership Agreement confers any benefit on, or is enforceable by, any person who is not a Party, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise.

22.3 Notwithstanding Clause 22.1, it is expressly agreed that the Parties may rescind or vary the Membership Agreement or any of its terms (including Clause 8) in accordance with Clause 14 without the consent of any Unsuccessful Applicant, even if that rescission or variation may extinguish or alter that person's rights pursuant to Clause 22.1.

23. ENTIRE AGREEMENT

23.1 Except as provided in Clause 3.2 and notwithstanding any entire agreement provisions in any (current or future) agreement between any two or more of the Parties, the Membership Agreement constitutes the entire agreement and understanding between the Parties in respect of the matters dealt with in it and supersedes any previous agreement between the Parties or any of them relating to such matters notwithstanding the terms of any previous agreement or arrangement

expressed to survive termination.

- 23.2 Each of the Parties represents and agrees that in entering into the Membership Agreement it does not rely on, and will have no remedy in respect of, any statement, representation, warranty or understanding (whether negligently or innocently made) of any person (whether a Party or not) except as expressly set out in the Membership Agreement. The only remedy available to any Party for breach of the warranties will be for breach of contract under the terms of the Membership Agreement. No Party will be entitled to rescind the Membership Agreement (except for fraudulent misrepresentation).

24. **NOTICES**

- 24.1 All notices to be given under the Membership Agreement must be in writing and may be given personally, by prepaid first class post, prepaid international airmail, by facsimile or in electronic form. Unless impracticable for technological reasons or otherwise required by Applicable Law, all notices given under the Membership Agreement (other than the Articles of Association) will be given by email, but this will not affect the validity of any notice given in accordance with this Clause 24 by any other means. Notices given to Members must be sent to the address, facsimile number or email address of each Member as specified from time to time in the Register of Members; notices to any Member must be marked for the attention of the recipient Member's Relationship Manager from time to time. Notices given to TeX must be sent to its registered office from time to time or to the facsimile number or email address expressly stated on the TeX Website from time to time to be the facsimile number or email address for receipt of notices from Members; notices to TeX must be marked for the attention of the 'TeX Administrator'.

- 24.2 Any notice will be deemed to have been received:

24.2.1 if sent by e-mail, at the time the e-mail enters the intended recipient's information system (being the recipient's system for generating, sending, receiving, storing or otherwise processing electronic communications) provided that:

- (a) no error message indicating failure to deliver has been received by the sender; and
- (b) an email will not be deemed to have been received if the recipient notifies the sender that it has not been opened because it contains, or is accompanied by a warning or caution that it could contain or be subject to, a virus or other computer programme which could alter, damage or interfere with any computer software or email;

24.2.2 if delivered personally, at the time of delivery;

24.2.3 if sent by prepaid first class post or prepaid international airmail, on the expiry of 48 hours after posting if sent from and to an address in the United Kingdom (and on the expiry of 120 hours after posting if sent from or to an address outside the United Kingdom); and

24.2.4 if sent by facsimile, 2 hours after the time of transmission provided that an error-free transmission has been received by the sender,

in each case provided that if deemed receipt occurs before 9 am on a Business Day, the notice will be deemed to have been received at 9 am on that Business Day, and if deemed receipt occurs after 5.30 pm on a Business Day or on a day which is not a Business Day, the notice will be deemed to have been received at 9 am on the next following Business Day.

- 24.3 Each Member whose registered office is not in the United Kingdom:

- 24.3.1 irrevocably appoints the person named in its Application Form as its agent to receive for and on its behalf any service of process in the United Kingdom in any action, proceeding or dispute resolution procedure with respect to the Membership Agreement;
- 24.3.2 agrees that any failure by such agent (or any successor agent) to inform such Member of any such service will not impair or affect the validity of such service or of any judgment or determination rendered in any action, proceeding or dispute resolution procedure based thereon;
- 24.3.3 will, if such agent (or any successor agent) ceases to exist or ceases to have an address for service in the United Kingdom, promptly replace such agent with a new agent whose address for service is in the United Kingdom, by giving TeX written notice of the replacement agent and its contact details; and
- 24.3.4 confirms that such agent is (and any successor agent will be) instructed to accept service of process as its agent and undertakes that it will not withdraw such instructions.

25. **COUNTERPARTS**

- 25.1 The Membership Agreement will be executed in any number of counterparts and by different Parties on separate counterparts, each of which when executed and delivered will be an original and all of which together will constitute a single agreement.
- 25.2 The Membership Agreement (other than the Articles of Association, which will be effective in respect of any Member when it becomes a member of TeX) will not be effective in respect of any Member until:
 - 25.2.1 such Member has executed and delivered to TeX a signed Application Form including its agreement to all the terms comprised in the Membership Agreement; and
 - 25.2.2 such Member's application to participate in the Contract Club has been approved in writing by the Board.

Any signed Application Form transmitted by facsimile transmission or email will constitute an original and will be deemed to be binding when delivered.

- 25.3 The Membership Agreement (other than the Articles of Association, which will be effective in respect of TeX when adopted) will not be effective in respect of TeX until the Board has approved in writing an application to participate in the Contract Club from at least one Member.
- 25.4 In applying to participate in the Contract Club, no Member may specify any additional provisions, conditions or limitations in its Application Form or otherwise and any additional provisions, conditions and/or limitations which are specified by any Member will be void and of no effect.

26. **GOVERNING LAW AND JURISDICTION**

Each Party agrees that the Membership Agreement and the relationship between the Parties will be exclusively governed by and interpreted in accordance with English law and that all disputes arising out of or in connection with the Membership Agreement and/or the Contract Club, and/or with the negotiation, validity or enforceability of any provision of the Membership Agreement, and/or the relationship between the Parties in relation to the subject matter of the Membership Agreement and/or the Contract Club, (in each case whether or not regarded as contractual claims) will be exclusively governed by and determined in accordance with English law and (subject to Clause

13) each Party expressly and irrevocably submits to the exclusive jurisdiction of the English Courts in relation to all such disputes and any other claim or matter arising under or in connection with the Membership Agreement.
